

HEALING BABIES CONNECTING FAMILIES CHANGING LIVES

AmeriCorps members collaborate with health care providers to deliver critical interventions that make it possible for Hushabye Nursery to change the approach to treating infants experiencing Neonatal Abstinence Syndrome and their families. By providing access to a care model specialized to meet their unique needs in a fair and just manner while building their resiliency, our families don't just survive; we help them thrive.

Frequently Asked Questions:

What is Hushabye Nursery?

Hushabye Nursery provides a therapeutic and inviting environment of short-term medical care to infants who were exposed to opioids in the womb suffering from Neonatal Abstinence Syndrome (NAS) and their families.

What will I be trained to do while I serve at Hushabye Nursery?

AmeriCorps members will be trained in "Eat, Sleep, Console" which is an evidence-based method of care that helps new parents care for their infants who may be suffering from neonatal abstinence syndrome (NAS). The program seeks to change the stigma around neonatal exposure and withdrawal and helps provide family-centered care to the family unit. Eat, Sleep, Console (ESC) has been developed to focus on the comfort and care of these infants by maximizing nonpharmacologic methods specifically by assisting the infant to eat effectively, sleep, and be consoled within a reasonable amount of time.

Where will I serve as an AmeriCorps member?

You will be serving all contract hours at
Hushabye Nursery 3003 E. McDowell Rd. Phoenix 85008.

Will transportation be provided?

Transportation will not be provided. There is a Valley Metro bus stop at 30th Street and McDowell.

Frequently Asked Questions:

What are the hours?

Day shift: 6am to 2pm, Evening Shift: 2pm-10pm, Night Shift: 10pm-6am

Do I have to have CPR and First Aid?

Yes, you will be provided with CPR and First Aid training.

Do I have to wear a uniform?

Yes, you will be provided with AmeriCorps scrub tops and will need to wear black pants.

Are there medical considerations for service?

As AmeriCorps members, you will interact with newborns that have a heightened risk of illness and complications. Newborns have underdeveloped immune systems making it extra important that AmeriCorps take appropriate precautions for the health of the community, such as keeping their own vaccines up to date.

It is expected that as an AmeriCorps member, you will be fully vaccinated for COVID-19 as well as that you have received a current TB test within the past year. Proof of immunization or titers are required for, TDAP (tetanus, diphtheria, and pertussis) within the last 10 years. MMR (measles Mumps and rubella) Varicella, and Hepatitis B.

Frequently Asked Questions:

Can I apply if I'm not a US citizen?

AmeriCorps members must be US citizens or legally documented residents.

Do I need a degree to serve in AmeriCorps?

You do not need a college degree to serve. If you don't have a high school diploma, you may still be eligible to serve.

How much is the living allowance?

\$1375 per month full-time and \$687.00 for part-time.

Is there an education award upon successful completion of my service contract?

Yes, upon successful completion of your AmeriCorp contract you will receive a Segal Education award that aligns with your service hours, starting at \$6495 for full time members.

What is the Segal AmeriCorps Education Award?

AmeriCorps members are eligible to receive the Segal AmeriCorps Education Award after successfully completing your AmeriCorps term of service and enrolling in the Trust, you are eligible to receive the Segal AmeriCorps Education Award. You can use the award to repay qualified student loans and to pay current educational expenses at eligible post-secondary institutions, including many technical schools and G.I. Bill-approved programs or to repay qualified student loans.

Shauna.Anderson@HushabyeNursery.org

Frequently Asked Questions:

What will happen to my student loans when I'm in the AmeriCorps?

Most federally guaranteed student loans are eligible for forbearance. If your loan does not qualify for forbearance based on your AmeriCorps service, you may be eligible for another type of deferment or forbearance. Contact your loan holder to determine eligibility and options. The Trust can only pay accrued interest for qualified student loans. If your loan is in default, it may not be eligible for forbearance.

Can I work and /or go to school while I am serving as an AmeriCorps member?

Yes, there will be flexible scheduling to allow for work or school.

Will childcare be provided?

If a member qualifies, Childcare assistance may be provided if you have children under the age of 13.

What benefits are provided during and after AmeriCorps?

Living allowance and an education award to pay for college or trade school expenses, repay qualified student loans, loan deferment, and interest forbearance on eligible student loans while in service, professional development, alumni network, and more. Some of our programs provide health care benefits for full-time AmeriCorps or a stipend to purchase healthcare. You may also be eligible to receive a childcare benefit if you have children under 13.

Shauna.Anderson@HushabyeNursery.org

Frequently Asked Questions:

Will my race, sexual orientation, or disability affect my application?

We are committed to the idea that everyone can serve. AmeriCorps and AmeriCorps Seniors programs are an opportunity to learn about our differences while working toward a common goal. We strive to create an inclusive environment and offer reasonable accommodations for applicants with disabilities.

Do I need to pass a drug test to serve in AmeriCorps?

Yes, all members must pass an initial drug screening test upon arrival to the program. The drug screen covers several different substances, including marijuana. Keep in mind that, while it may be legal to possess marijuana in some states, it is still considered illegal according to federal law. As AmeriCorps NCCC is a federal program, all Corps Members and staff are expected to comply with federal law. A positive test on a drug screen for any substance (including marijuana) at any time during service, will result in dismissal from the program, so please plan accordingly.

I have a medical marijuana card. Does that mean I am allowed to use marijuana while in AmeriCorps NCCC?

No, state-based medical marijuana cards do not authorize members to use marijuana while in AmeriCorps NCCC because marijuana use is prohibited under federal law and AmeriCorps NCCC is a federal program.
