Supporting Your Partner/Safe Storage |

HOPPE Groups:
The Hushabye Opioid Pregnancy Preparation and Empowerment (HOPPE) program is designed to help you have a healthy pregnancy, healthy baby, safe home and keep your family together. This group supports pregnant women and their families struggling with Opiate Use Disorder. Hushabye Nursery understands that this can be an overwhelming time, and in this group, you will learn strategies for success and find caring individuals to support you!

SMART Recovery:
SMART Recovery is an abstinence-based support group that focuses on ideas and techniques to help you change your life from one that is self-destructive and unhappy, to one that is constructive and satisfying. You will learn scientifically proven methods designed to empower you to change and to develop a more positive lifestyle.

Dad’s Group:
This group is designed to support dads to help them understand what to expect in pregnancy, birth, and beyond. This group is led by one of our Peer Mentor Dads who has been through the Hushabye program and is focused on real conversation and education!

Triple P, Positive Parenting Program:
Triple P is an evidence-based parenting program that teaches parents the skills needed to raise confident, healthy children, and build stronger family relationships. You will learn simple, practical strategies that you can adapt to meet the needs of your families’ values, beliefs, and needs. The program consists of six-week classes, contact Shauna to sign up or learn more.

Strength through Safety:
This support group is designed for people with a history of addiction and trauma. It focuses on healthy coping skills to help you become safer in your relationships, thinking, and actions. Seeking Safety focuses on the present which means we will focus on what you can do right now to create a healthy life for you and your family!

Group Coaching:
This group is led by one of our peer mentors and covers a specific topic each week. Here you will learn about resources available to you as well as make sure you have a solid understanding of how to use your green binder and how to access additional support.

Car Seat Safety/ Safe Sleep:
These classes are taught once per month and cover the fundamentals of Safe Sleep and Car Seat Safety. After completing the class, you will receive a free car seat and pack and play!

Raising a Reader
This 4-week class is offered through Arizona Children’s Association. Parents will learn how early literacy can help children grow and develop and will learn hands on skill they can use right away. Participants will receive a package of books to keep and use with their children- you must sign up to register.

Welcome to Hushabye:
This group will introduce you to the Hushabye Nursery program. You will learn the keys to success and hear from other families who are thriving!

Baby Boot Camp
This group is especially for those supporting our pregnant mommies! It is a 4-week class which focuses on what to expect in pregnancy, at the hospital, and at home. The final class will be an in-person group where you will get to practice hands-on skills like swaddling, changing diapers, and feeding.

All Groups are Virtual. Please Call or Text 480-628-7500 to register.
